Dear A.J.,

Thank you so much for providing a fantastic program on *Solar Energy* at the Lackawanna College Environmental Institute. Your skills, expertise and passion were evident and made the program a success and certainly helped to convey your message.

We're appreciative of your contribution to environmental education and to the development of sustainable communities. Your commitment makes it possible for us to provide quite an array of informative programs to the community throughout the year and we are very fortunate to have you as a member of our community.

Many thanks again for taking the time to join us and for bringing and sharing your enthusiasm, insights and experiences to our organization. We hope you enjoyed your evening with us and look forward to working with you again in the future.

Sincerely,

THE ENVIRONMENTAL INSTITUTE
